

Operation Homeland Spear

(November 2025)

On Thursday, November 13, 2025, Secretary of War Pete Hegseth wrote:

“Today, I’m announcing Operation SOUTHERN SPEAR.”

“Led by Joint Task Force Southern Spear and SOUTHCOM, this mission defends our homeland, removes narco-terrorists from our hemisphere, and secures our homeland from the drugs that are killing our people. The Western Hemisphere is America’s neighborhood – and we will protect it!”

Filled with hope, the public is expecting a second announcement any minute:

“Today, I’m announcing Operation HOMELAND SPEAR”.

*“Led by Joint Task Force Homeland Spear and USNORTHCOM, this mission defends our homeland, removes tobacco and liquor producers from our hemisphere, and secures our homeland from the tobacco and liquor that are killing our people at a rate **EIGHT** times that of all drugs combined. The Western Hemisphere is America’s neighborhood – and we will protect it!”*

"The Administration will compensate the forfeited excise tax revenue by imposing a new Homeland Spear Tax of \$139 per American Household."
